

Griebling Halloween 2026

It's Halloween Season! Weather permitting, our Costume Parade will be held on October 30th, in front of the school at 8:30 am.

PARADES:

We anticipate your cooperation in order for all students and staff to experience a safe and happy Halloween Day while in school. To do so, we ask that you please adhere to the following guidelines:

- Parent dropoff procedures will remain the same that morning. If you are dropping off your child, please proceed through the parent dropoff line as usual before parking your car.
- **PLEASE DO NOT PARK IN THE SCHOOL LOT UNTIL PARENT DROP-OFF HAS CLOSED AT 8:10 AM, AND STUDENTS ARE INSIDE. THIS HELPS US KEEP ARRIVAL SAFE AND PREVENTS THE NEED FOR STAFF TO REDIRECT CARS.**
- Parents are invited to attend, however, they must be outside on the blacktop, to view the student procession. Students will parade 2x around, on the sidewalk.
- No Pets.
- Parents should not wear masks or makeup that covers the face. For security reasons, we must recognize everyone in and around the school.
- After the parade, only parents who have been selected may enter the school to facilitate the celebrations.
- In the event of rain or inclement weather, the parades will be canceled to an outside audience. We will send out communication via email, phone, & Instagram (Follow us! [@grieblinginfo](#)) to the community by 7:30 am, the day of, if the parades are canceled.

COSTUMES:

Please have costumes reflect positive characters to promote a cheerful, non-violent theme for our students, making for a more pleasant and enjoyable Halloween for all. Accessories such as guns, swords, light sabers, etc. will not be permitted and should be left at home. Please also refrain from anything that can be unsafe. If a mask blocks a student's view, s(he) may be asked to remove it for safety during the parade.

- All students SHOULD come to school dressed. Any hair and/or make-up must be done *before* your child's arrival at school.
- Please keep in mind that all children utilize the lavatories by themselves, therefore be thoughtful when choosing their costumes for school, especially because they will be wearing them all day, including snack and lunch.

TREATS:

With our large student population presenting various health conditions, students will enjoy snacks organized by Class Parents only. Therefore, please refrain from sending any other edible treats for the class as **they will not be distributed**. Also be sure to complete your class' snack permission slip in order for your child to participate. We truly appreciate your cooperation in this matter.
