AMERICAN EDUCATION WEEK

In 1921, the National Education Association called for: *An educational week … observed in all communities annually for the purpose of informing the public of the accomplishments and needs of the public schools and to secure the cooperation and support of the public in meeting those needs***.** Thus, American Education Week was created. It occurs the week prior to the week of Thanksgiving each year. We are excited to extend a cordial invitation to your family to visit your child's classroom during this time to see how we are working toward our School Goals!

The date and times for Griebling's visitation will be Friday, November 20, 2026, as follows:

- Kindergarten: period 3; 9:50 - 10:10 am
- 1st grade: period 4; 10:30 - 11:00 am
- 2nd grade: period 5: 11:10 - 11:40 am
- 3rd grade: period 2; 9:10 - 9:40 am
- 4th grade: period 1; 8:30 - 9:00 am
- 5th grade: period 6; 11:50 - 12:20 pm
- Magnet 4th and 5th grade: period 2/3; 9:30 - 10:00 am

This schedule has been created to accommodate the students' safety and security. We are able to host two visitors for each student. Please note that **all visitors must**:

- ☐ RSVP **HERE** by *Wednesday, November 18th at 3:00 pm,* for EACH child you are visiting. We must compile the list of visitors for our student and staff's safety. Therefore, if you are tardy to RSVP by the deadline, you may not be permitted to enter the building or visit the classrooms. We apologize for any inconvenience, however, we know you share our intention of everyone's safety!
- ☐ have photo identification AND the **E-TICKET,** which is the email receipt of your response, with you when you arrive for your visit. Due to security reasons, we are unable to invite anyone into the building without photo identification.
- ☐ know that digital images or photocopies of identification will not be accepted.
- ☐ report to the main entrance to be checked in.
- ☐ proceed directly to the scheduled classroom - do not stop anywhere on your way.
- ☐ be adults. Please leave siblings and small children at home.
- ☐ be no more than 2 adults
- ☐ be named as submitted via the RSVP form. This requirement **applies to all attendees.**
- ☐ leave all food and drinks at home or in the car.
- ☐ refrain from cell phone usage as we are excited for you to focus your undivided attention on your child in the classroom. (Please put on "Silent/Do Not Disturb".)
- ☐ refrain from taking pictures as it may violate the privacy of another student.

Again, please be sure to complete the RSVP linked above so that you are able to attend. To ensure a safe, respectful, and enjoyable experience for all attendees and our staff, full compliance with event guidelines is required. Please be advised that entry may be denied to any individual who does not adhere to these policies. We look forward to seeing you during American Education Week!
